

## Hydrogen Industry Leaders Workshop

Date: 4<sup>th</sup> of December 2022

lecture theatre ECL2 from 13:00 – 17:00 (registration opens at 12:30 pm).

The Hydrogen Society of Australia ([HSA](#)) is organising Hydrogen Industry Leaders Workshop during the World Renewable Energy Congress (WREC) conference to be held at Murdoch University from 4 – 9 December 2022. The hydrogen industry leaders will present their Hydrogen projects' development, technical challenges and barriers delaying the Hydrogen Economy advancement in Australia. The workshop will be an opportunity to highlight technical and economic challenges, and policy and regulatory barriers seeking industry experts and researchers' input to resolve these challenges. Participants will have the opportunity to hear directly from the Hydrogen Industry Leaders and discuss their insights with the subject matter experts and the WREC 2022 conference delegates.

Doug Aberle - [MarpleBridge Director](#), will facilitate the workshop.

Program:

13:00 – 14:30 Four Hydrogen Industry Leaders Present their organisations' insights.

1. [ATCO Australia](#) - The Clean Energy Innovation Hub, Hydrogen Blending, Hydrogen Refuelling.
2. [Hybrid Systems Australia](#) – Hydrogen Power Plants' Engineering Design and EPC.
3. [Infinite Green Energy](#) – Hydrogen Production and Export.
4. Governmental Hydrogen Industry Agency – Standards, Codes and Regulations.

14:30 – 15:00 Tea break and networking.

15:00 – 16:30 Round table discussion (four groups).
